

Precious Metals Exploration in Ontario's Premier Gold Belts

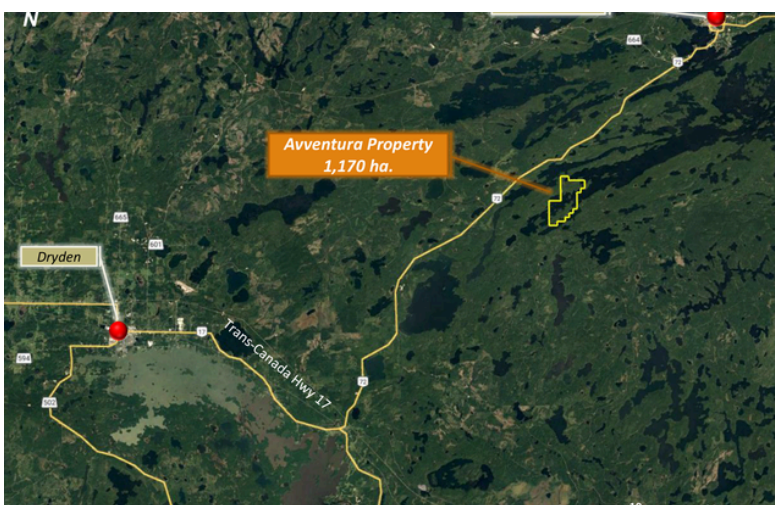

Avventura Resources is a Canadian mineral exploration company focused on unlocking the value of underexplored precious metal properties in Ontario. Our flagship assets—the **Horwood Property** and **Kabik Lake Property**—are located in two of Canada's most prolific greenstone belts. Led by a team of capital markets professionals and geological experts, we combine disciplined exploration with a commitment to sustainability and long-term shareholder value.

Horwood Property – Swayze Greenstone Belt

- **Location:** 75 km SW of Timmins, Ontario
- **Size:** 4,957 hectares (35 claim blocks)
- **Geology:** Located within the Abitibi Subprovince, near Destor-Porcupine and Cadillac-Larder Fault Zones
- **Opportunity:** Multiple gold showings, historic producer, minimal modern exploration

Kabik Lake Property – Eagle-Wabigoon-Manitou Belt

- **Location:** 50 km NW of Dryden, Ontario
- **Size:** 1,170 hectares (54 claim blocks)
- **Geology:** Adjacent to Treasury Metals' Goliath Gold Complex (4.2M oz Au)
- **Opportunity:** Historic workings, no drilling since the 1930s, virtually unexplored
